“ I was sorry to hear that John had passed. Like many of my classmates, I had lost touch. So, I don't know the circumstances of his passing. But, John always treated me well, except for one time when we were supposed to meet behind the gym and fight! I don't even remember what it was about and we decided we didn't need to fight. Neither of us was much of a fighter in my estimation and that's as close to a fight I ever came. We were fine after that. I remember his Midget car and how we took it on the back roads. John liked to rev her up! And I remember the little "rock" band we played in during our high school days. It was called "Freedom", so I hope John has found freedom now.
