

## John Spencer

June 27, 1953 - March 10, 2024

John G. Spencer(Jay), 70, of Perryville, MD, was surrounded by his children when he went home to be with the Lord on Sunday, March 10, 2024.

John was born June 27, 1953 in New Haven, Connecticut to John and Evelyn Spencer. His father was military so naturally he lived in various states and even Paris, France before moving to Harford County, Maryland.

John graduated from Aberdeen High School in 1972. He obtained his master license in plumbing and later went on to open Spencer's Quality Plumbing. John enjoyed traveling with his good friend Lamar and playing pool at Winter's Run Inn after retirement.

To know John was to love him. He was a friend to all and had the ability to see the good and beauty in the world. John enjoyed fishing and crabbing with his son Jonathan, and surprising his daughter Brittany with an afternoon visit to share lunch or coffee. He loved his kids and grandchildren and never missed an opportunity to spoil them.

John was always willing to lend a helping hand and was the life of the party. He knew how to tease or make someone smile. He loved “junking” and would proudly display his treasures throughout his house.

John was predeceased by his father John M. Spencer, mother Evelyn G. Spencer, brother Jonathan Spencer, and sister Suzanne Spencer.

John is survived by his son Jonathan Spencer of Delta, Pennsylvania, his daughter Brittany and son in law Jacob Allen of Fallston, Maryland, grandchildren Brielle, Brady, and Mia, and his brother Christopher Spencer of Harper’s Ferry, West Virginia. He is also survived by extended family in Connecticut and many close friends.

A party to celebrate John’s zest for life will be held at Winter’s Run Inn, Friday, March 15, 2024, from 4 - 6pm. Final resting services will be held in Connecticut at a later date

“ John and I have been friends over 50 years. He made me happy. We did so many things together. He meant the world to me. He always had a cup of coffee in his hand. Wawa or ROFO coffee. And his love for unusual knickknacks .... me too. We went to the antique stores everywhere to find an unusual item for his wall or table top. He loved to travel. Florida, the Carolinas, Nevada, Connecticut, New York. Happy guy!!! Always handy at tasks. Engines, plumbing, DIY household. He would help others with anything they needed. He gave his time faithfully and loved doing it. A faithful christian man who loved God and his family. When he would tell me about his son Jonathan or his daughter Brittany (and Jacob) he would beam with pride. A faithful father, grandfather and friend. Love you John. A lot
