

## Johnnie Everett Kiger

January 15, 1957 - November 19, 2020

Johnnie Everett Kiger passed away on Thursday, November 19th, 2020, after a short battle with cancer. He was 63 years old.

Johnnie was born to Artho and Marie Kiger and was raised in Baltimore, Maryland with his siblings: Rusty, Joann, Sharon, Debbie, Ricky (Rags) and Cathy. He attended Dundalk High School and worked as a machinist most of his life.

Johnnie is survived by his lifelong partner for over 30 years, Diane Dix. His children, Charles (Chip) Dix, Tammy Scandaliato and Julie Ann Smith. Their family continued to grow to include eight grandchildren, Ashley, Mikayla, Samantha, Brandon, Ashton, Aidan, Tyler and Danny. He also had one great granddaughter, Delaina Marie and a great grandson, Luis Jacob that is due in March. Johnnie was a good man with a big heart. He will be dearly missed by us all and several nieces and nephews. And we can't forget his beloved dog, Jax.

Johnnie enjoyed camping, hunting and fishing but most of all, he loved all the quality time he was able to spend with his family and friends. He always had a hard time saying no when someone needed his help, even after he was diagnosed with cancer and he was feeling weak. He wanted everyone to know that he loved and adored all his family and friends.

John Boy, your wings were ready but our hearts were not. We know you are at peace now but it hurts a lot.

“ *Last night, Sunday, Movember 22, 2020, I do my nightly ritual of taking Jax out front and looking up to the nightly sky scanning for the sight of the Moon. For the past two nights, cloud covered and even though no sight of the Moon or Stars, I still talked to the open sky. \"I love you, Honey, Tommy, Betty, Donald, Mom, Dad, and Brandee and everyone in my heart! Please continue to watch over us! Amen\". Last night, I kept looking up, and low and behold, I saw a dimmer of light coming through the dark clouds. I looked in amazement as the few clouds opened up to the beautiful sight of the moon as clear as day! I know you were reaching out to me, to give me the sign that you were there watching over us! As soon as it appeared, I spoke softly from my heart, as I finished, it quickly covered up. Thank you, my Honey, for the best years of my life. You will forever be in my heart and the memories of you will be everlasting. My love for you remains in my heart, until we meet again! I love you my Angel Love!*

“ *Johnnie was my PopPop! He was a loving man and cared a lot about his family. Pop had a secret super power where he could guess the gender of your baby before the doctors would tell you. When I found out I was pregnant, he said it was a boy & sure enough, little Luis Jacob is on his way. Wishing he would have been able to meet him. Let's keep his memories alive and never forget what a GREAT man Johnnie was to everyone he ever met. Here's one of my favorite pics of us. Love you always Pop - your little Puddin Face ❤️*
