“ I cannot believe it's been a year. It literally feels like it was yesterday. I will see you soon enough, my love. I hope you are proud of me & looking down at us, from above. I finally deleted our house-warming/wedding registries & gave up the dress to our mutual friend. It was time to let it go, to someone who could use it & appreciated my taste. I've been dreaming about you & remembering the last time I woke up in your arms, to your beautiful face. Being with Dad, again, must be so joyous. I can't wait to see you, but I will, when it's my time to leave this plane of existence. I wear both of our rosaries around my neck or wrist, and the ring at ID on my Navy dog tags. I love you, still, always & forever. <3 -- Onyx (Christine Gaudet)
