“ Jose was such a unique, kind, funny and great person. I met Jose attending Glen Burnie HS, and many parties back in the early 1970s. He was so fun to be around and he loved everyone. I'll always remember his laugh. We were both in 12th grade and I would pick him up for school on occasion, and we squeezed at least 7 people into my white VW bug. We all hung out at the \"Brick House\" bar, and survived many camping trips. Did not see Jose for many years, fortunately we spoke and hugged last year at Jim's Life Celebration, he didn't change a bit. Thought fondly of him over the years from time to time. My deepest condolences to the Pizarro Family, I will always remember Jose. With Love, Barbara Stelzer.
