“ Joey you will be missed. This is not right no one even told me. I found out a year later. My heart was ripped out. I'm so sorry I wasn't there for you and knowing you didn't want to be cremated kills me cause I would had did what ever to see you be buried like you wanted. They need to pay for what they did to you Joey. I know you didn't hang yourself. Them words you said to me haunts me. If something happens to me have these people checked out. Joey I'm so sorry you had to leave this world that away. They need to investigate this Joey and put them where they belong. I don't know where it took place I don't know anything about where when and how. I kept telling Audrey something not right because I didn't hear from you. Had these awful dreams that Moss should had been in but it was i hate you and I know it was happening because you was telling me Brenda I didn't hang myself. It kills me to think about what you went through. I hate it Joey I want the world to know what they did to you. R.I.P. I love you Joey until we meet again forever in my heart
