**Funeral Home Owner** - December 12, 2019 at 11:21 AM

AB

“ *When we first met he had super spiky hair and he had made me laugh and he gave me a balloon. We were tossing it back and forth and it landed on his hair and it was hilarious. We laughed and he took me and my mom Stephanie Cowan out to lunch and we had a blast. I wish what happened never did but all I know is God gained a great angel that day.*
