“ *Joe, I wish I could hear your voice again. You always were the one to comfort others when they were hurting, even if you too, were hurting inside. We need you to comfort us now...Just one of those big bear hugs would mean the world to me. I love you Joe, so very much. I dreaded the day to hear of this. You turned your life around, and then someone took it, who could be so heartless!?! I hope so much, heaven is everything you hoped it would be, and all your loved ones were there waiting for one if your hugs, and hear that amazing laugh, and see that perfect smile. Love you, Joe. Will miss you...*
