“ *Aunt Joyce, We did not see each other on a daily basis, but we shared a lot of wonderful memories. Spending the night at your house when I was a kid, watching movies, laughing at the kitchen table with David and Leeann for no real reason. As I got older Mike and I came to your trailer and we played board games. So much fun and way too many memories to list. Aunt Joyce, I love you very much and you will be missed tremendously. Tell Uncle John I love and miss him too. Gone from my life ,but never forgotten. ❤️💔*

“ My Dear friend I am so sad that you will no longer be texting me and when I do get to Balto you will not be there. We shared so many good times and wonderful memories. I will cherish those memories forever . We were young women that grew older together which was a blessing. God blessed us both with a wonderful group of friends . Love you and miss you Mike MiKell Lyons

“ Mrs. Joyce, I have known you practically my whole life. You were an amazing wife, mother, grandmother and friend! I could call you for anything at any time and I know you would give me the best guidance. You and Mr. John were like grandparents to me. I love you and miss you deeply! You will always hold a special place in my heart.

“ Grammy ❤️ I may have not been around you daily but , I've been around you for family events and holidays for years. Everytime you'd see me , you'd call me over and give me a hug & kiss. We would have short conversations about things and you'd laugh a little anytime I made a light hearted joke. You always let me call you Grammy which meant a lot to me because ever since my grandmother passed when I was in highschool, I never called anybody grandma or Grammy, except you. You are my Grammy. With that being said , I am beyond blessed and thankful to have the Harmon family in my life. They are my family that I love very much! It will be hard coming over the house and physically not seeing you but in my heart I know you are there in spirit and you're reunited with loved ones once again. I love you Grammy. (pink candle means Joy. I chose this candle color for you)
