“*Juanita will be missed by many and one of them is me. She had such a great outlook on life even though it didn't seem promising, she knew she would get to see heaven. We had many talks about that and she would call me (when she called me at Senior Connections) and ask me how my mom was doing. She would tell me about her granddaughter and how wonderful she was at the concerts that she got to go to and that she was going to be in the symphony. I just found out about her when I called and her sister told me and I am SO sorry that I didn't call her sooner. My thoughts and prayers go out to her family during this difficult time.*”
