

Judith Lee Sain

May 5, 1959 - January 22, 2024

Judith Lee Sain, 64, better known as Judy, passed away on January 22, 2024. She moved on peacefully in her sleep.

She was born on May 5th, 1959 in West Chester, Pennsylvania as the oldest child of six to her father Maurice L. Banner III and her mother Dorothy Oas Banner.

She later settled in Pasadena, Maryland after marrying in 1980. Soon there after she adopted and raised her children with her husband.

She attended Northeast High School where she met her husband, graduating in 1977 after moving from Pennsylvania during her sophomore year.

After high school she attended Anne Arundel Community College and Salisbury University for some time while working at Capital Savings Bank where she maintained her job for several years.

To this day she is remembered fondly by those who interacted with her at her jobs as a bank teller, receptionist, and a travel agent.

She has been considered by those she worked with over the years as a joy to be around and someone who never failed to pay attention to detail. You can tell by her job titles that she was never one to hesitate providing assistance to those asking for help.

Her recent place of work was at Peartree House Assisted Living. She was located there for over a decade after having focused her energy on being a stay at home mother for several years. Judy has shown throughout her work, and as a mother, her compassion and care for others.

She is remembered for her efforts as a caregiver throughout the duration of her life through her career, as the oldest sibling of six, a daughter, a wife, and a loving mother. Her compassion, dedication, and selflessness are attributes those who love her will remember her kindly by. Not to mention, her ageless beauty, gentle eyes, and warm smile will be a lasting image in the minds of those who were lucky enough to experience her in this life.

She is survived by her husband of 43 and a half years, Norris "Butch" A. Sain, and her two children, Ricky L. Sain and Dacia E. Sain, of Pasadena, as well as her father Maurice L. Banner III, and her siblings, Linda J. Foss, Maurice L. Banner IV, Beth A. Sturdevant, W. Kenneth Banner, and Gregory A. Banner.

“ You are still missed so deeply, Mom. \n\nThere is not a day that passes where I am not wishing you were a call away, waiting for me at home, or by my side offering a hug. \n\nI’d like to think most people are still continuing to reflect on all of the love, kindness, and comfort you’ve provided often too. That everyone has days where they ask themselves, “What would Judy say?”... and that they probably laugh, because we know whatever it was would be right and with satire. \n\nI know that right now you would say you love me more and that you miss me too. And, knowing that offers me great comfort as much as it does sadness. \n\nDad and I have taken good care of each other though, and I find comfort in knowing you would be proud of that and the courage we find in ourselves to be strong. But, we will always wish you were here. \n\nLove you forever.

“ I remember when you were a little girl and I piled you and your sisters into a bed together; and from there you grew into an intelligent young woman, who assessed me with a ship job, in Elizabeth NJ; and with a blink of an eye you became a beautiful loving wife and mother. You will always be loved.\nDavid, Tosha, & Mary Banner

“ Judy was a very kind, generous, creative and supportive friend. We have so many great memories of our kids playing soccer and basketball and Butch coaching them. She dedicated herself to team mom and kept things organized. She was so creative with her home projects and painting! She was a wonderful friend and I admired her for her creativity and generosity to everyone. She took care of all of us and made it look so easy! Rest in peace and I'm so thankful that I met you in this life! Prayers to the family and take comfort in Gods promise that we will all be together again. \nHolly Beers

“ Going back as far as graduates at Northeast High School to raising our children together, it's difficult to find the words. We always had great times together and shared many laughs. I admired Judy for her strength, leadership, generosity, and home remodeling talents. There was nothing that she wouldn't try. A special lady like Judy who served her family and friends so graciously is missed dearly but leaves an indelible mark that lasts a lifetime. For that we are all fortunate. I pray for God's blessings on the family in waiting until they meet again. Love to you.

“ Butch you and Judy have always been the most loving couple. I can still see you two walking together in the halls of Northeast smiling at each other! I remember serving you at a restaurant when I was your waitress and we talked of your wedding and how life was going for the two of you. The best times we're playing co-Ed softball with the two of you during county rec ball and at Bachman! Remember we had the honor of playing the first game there when Janet Owen's dedicated and opened the ball park. Steve and I enjoyed coming to the softball team parties at your parents house too! You all had the best food, especially steamed crabs! I will always enjoy these memories But h and Judy! I also remember how excited you two were when you had gotten Ricky and Dacia to complete your family! May our God give you the strength and peace as you take one day at a time grieving and treasuring your precious memories of your dear wife and mother. Until we meet again dearest Judy, Much love and prayers, Steve and Karen Walter ❤️🙏

“ Sharing a middle name is now and always has been an honor. I always looked up to my Aunt Judy. She was always a huge part of my life for as long as I can remember. Ricky and Dacia were more like siblings than cousins to me and our families always did so much together and had such a strong bond, I loved every moment we got to spend together. She was such an amazing, selfless aunt and will be greatly missed. I'm sure Mom mom greeted her with open arms.
