

## Julie Ann Scott

January 8, 1984 - September 20, 2021

Julie Ann Scott was born January 8, 1984 in Baltimore, MD and went to be with the Lord peacefully on September 20, 2021 at 2:00 pm with sisters Jen and Chrissy by her side.

Julie spent some years living in Sunny California with her Aunt Barbara, she also lived in Arkansas but spent most of her life in various parts of Maryland, such as Pasadena, Baltimore, Ocean City, Prince Georges County and Montgomery County.

Julie was preceded in death by her parents, Regina and LeRoy Scott. Julie is survived by her sisters, Jen and Christine and their families, her children Kimberly and Joshua, 3 nephews, 2 nieces, Aunts, Uncles and Cousins. Julie loved her family and friends deeply and cherished every moment spent with them. Julie had a wonderful sense of humor and loved to laugh, even at the silly little things. Julie was kind and had a big heart and always willing to help anyone who needed help if she could. She had tenacity, stubbornness, and independence like no other. Julie did things Julie's way.

When you think of Julie, remember her for the good times, her infectious laughter and her loving, kind compassionate spirit.

This is a poem written by Julie, February 25, 2000:

## LIFE

Why is there pain?

Why is there grief?

Why is there love?

Why must we cry?

No one knows

Life is very un-predictable

What's gonna happen next

No one knows

You love, you lose

You cry, you grieve

You laugh, you learn

IT'S LIFE

“ *My angel, I wish I could hug you one more time. Tell you how much I love you one more time. Hear your laugh, that contagious laugh... one. More. Time. You fought so hard for your spot in this world and I am so blessed to have had you in my life for as long as I did. You taught me so many lessons, and I will forever remember your big goofy smile and your laugh that made everyone else laugh with you. We miss you so much down here. You are and always will be SO loved. I can't wait to see you again. I can't wait to hear your voice again. I can't wait to laugh until we cry again. Save me a seat next to you, I love to the heavens and back my sweet angel.*

“ *My sister. My friend. My partner in crime. I cannot express in words how much I miss you. Even when you were far, we were always together in heart. I hold unforgettable memories of our life together as we were young and as we got older(not for the faint of heart for sure) Our friends say \"having two best friends that just happen to be sisters\". time is supposed to heal but I don't feel it. I wish I spent more time with you, for you to have one more Christmas, one more birthday. But that wouldn't be fair to you and this is God's plan. I love you julie.*
