

Justin Bradley Henninger

July 29, 1984 - November 27, 2023

Justin passed away on November 27, 2023 at the age of 39 from complications related to cancer. His courageous fight with cancer represented the way he faced all of life's challenges. He remained strong, fearless, thoughtful, and giving until the end despite the numerous difficulties he faced. Justin will be most remembered for his kind and giving heart, his gentle demeanor, his ability to retain and share an abundance of wisdom and knowledge in almost any area of study, his love of nature, books, and reading, and most importantly, the joy he found in cooking.

Justin was loved by an abundance of family members and friends. He will be missed greatly by his parents , Paul Christian Henninger (father), Michele Schuetrum Bowser (mother) and Joseph Bowser (stepfather); his siblings Andrew Henninger (Aubrey), Christina Henninger, Rebecca Issacs (Derek), Elizabeth Minton (Jay), Jeremy Bowser, Ryan Bowser and his siblings by another mother Jennifer Bowser-Harris (Justin), and Chris Naille (Mandy). Justin took great pride and pleasure in being an uncle to his many nieces and nephews and spoiled them every opportunity he was given.

He leaves us with his favorite quote to remember him by from Marcus Aurelius. "Accept the things to which fate binds you, and love the people with

whom fate brings you together, but do so with all your heart.”

A celebration of life will be held in the spring for Justin and we will notify all friends and family.
