“ You were more than my friend and teammate. I loved you like a brother! You were a team player and no matter how bad we were loosing you never gave up! You would pick up the whole team and see let's \$/#%\$<&% go! The game and my life will never be the same. The last time we talked I told you I was afraid of failing at being a father you said \" bro we got you.\" I know you will be watching over us!

“ I think I’m one of the only people who refused to call you big head lol.. so many memories but I’ll never forget that first summer in Almost Heaven when we got about an hour of sleep all weekend just talking and you taught me to play spades so I would stay up and hang out with you. Seeing you on the field and with your kids was definitely when I saw you the happiest, with the biggest smile, and that’s what I’ll remember most.
