“ *Even though you were my sister-in-law I only had the opportunity to meet you one time in 2004 when you came to visit our family in Las Vegas. You were so happy to see your half brother and sister after so many years. We will always cherish and remember your smile and spirit. Rest In Peace Karen.*

“ *Even as I write this I can't believe that you are gone. Underneath that tough exterior you were a sweet, soft hearted, caring person who would do ANYTHING for someone. Your customers were one of the things that brought you Joy daily. That and shooting pool. You especially loved kids and animals which gives others a glimpse into that soft heart. We were cousins but you were more like a sister to me. We were always there for each other and I am going to miss you so much! I love you cuz! Rest easy with the rest of the family. You deserve it! And enjoy that beer with Dad that we talked about! I love you! ❤️*

“ *I believe you are at peace and with other family that have passed. To those of us that have known you all our life know your hard outside was to shield your soft heart. We will continue loving and missing you. Rest in Peace Karen. Love Cathy- just one of your many cousins.*
