

Kenneth Len Herron

October 31, 1955 - September 26, 2021

Kenny passed away in the early hours of September 26, 2021 at the University of Maryland Medical Center in Baltimore after a brief illness.

Born on Halloween 1955 in Baltimore City, Kenny was raised in Pasadena, MD and attended Severna Park High School. Kenny leaves behind Susie, his wife of 34 years, daughter Nina and her wife Erin, and beloved pups, Dash and Ozzie. The third oldest of eight children, Kenny is also survived by siblings Gary, Vickie (Wheeler), Dave, Lynda (Fisher), Betty Jo (Vandevort), and Skip. Kenny was predeceased by his parents, Betty & Len Herron, and brother Tom.

Kenny loved retirement, and was just as good at relaxing as he was working for Anne Arundel County Public Library. Kenny loved to lend a hand to the people in his life and could fix anything. He was the person that friends turned to when they needed help. Kenny was a self-taught musician and loved to play guitar and sing with his band, Third Shift. Riding his Harley on a pretty day always brought a smile to Kenny's face. Kenny was a great proofreader, and if there is a typo in this Kenny has probably spotted it.

The family would like to thank the University of Maryland Medical Center Medical ICU and Surgical ICU for the sensitivity staff showed to them, and the compassionate care that they provided to Kenny. In lieu of flowers, gifts in

memory of Kenny may be directed to support the University of Maryland Medical System Foundation at www.ummsfoundation.org/give.

“ I adored Kenny. Whether it was seeing him in the branch, or gossiping in the 'green rooms' at 3rd Shift gigs, Ken always made me feel welcome. My hope is that his fellow member of Not Checked In and 3rd Shift, Dave, was there to escort him to the other side. Rest In Peace, both of you. ❤️

“ Kenny-thank you for teaching me useful stuff...like the pretty purple string in your truck -once that purple string reached over 1/16-inch it's called ROPE. That the cute little cylinder-shaped glass popping from the windows at SCO was someone SHOOTING a BB gun at the windows and to STOP picking them up and go into the backroom. That when you kick a can of paint outside onto the sidewalk chances are your gonna slide in it trying to clean it up. That when a branch mailbox has a beer can in it that has exploded to the point of blowing up the mailbox-don't worry 'bout the mail that day. That when your Boss says...I'm gonna marry him...believe her not you. That when Hartge says, I don't do clean up...don't ask him twice get the broom. That when the windows get approved for replacement in the Spring ... bring a coat cause the government will do it in the Winter. Thank you for shoveling out the inside of the branch and not making us shovel the snow that winter. That my mom can become a Groupie to the point of you asking, "is she coming?" Yup! You will be missed, but so many moments weren't ... back-in-the-day!
