

Kenneth Antoine Mills

June 12, 1972 - August 31, 2024

On August 30th, 2024 between 9 - 9:30 PM, Kenneth's life was violently taken by two cars' hit and run, but through the grace of God, he didn't suffer.

Kenneth A. Mills was born to Patricia A. Mills and Thomas Mills (who preceded him in death). He's taken the journey to be with his two bros, gone but never forgotten: James Howard and Thomas Mills, Jr.

Kenny was a jokester and loved his mother, they had a very close bond.

He loved playing cards and chess. One of his favorite things to do is cracking jokes on people. He'll take his time to listen to you, when you need to talk to someone. If his program would have been together, he could have been a philosopher, he was good with his words.

He leaves to mourn his mother Patricia Mills; brother Edward Canty; three nieces Courtney Howard, Britney Mills, Alicia Mills; seven great nephews, one great niece, a heap of cousins, and a very special cousin Monique Armstrong. He always spoke highly of his three nieces and Monique Armstrong.

He also leaves four aunts, Sheila, Deloris, Shauna, and Marian Armstrong, the Alston girls; two uncles, Eaven Alston (House) and Willie Hines; a devoted friend Rachel Carney from Newport, VA; his special aunt Linda Alston (Aunt Stubby).

"And now that you're gone, I pray that I carry on. I see your face before me, I long to hear your voice, I miss and love you dearly. God knows, I wish you were here. Tears fall freely from my eyes like a river flows. My only comfort, is to know you're now at peace." - Devoted mother, Patricia Mills
