Ken (Kenny) Teal

2-24-1967 - 8-24-2020

Ken was the loving partner of Michelle Hynes for many years. He is survived by his son Kenny Teal , his 2 grandchildren and 1 grandchild in utero, his two faithful brothers James Victor Teal and John Lee Beck. A beloved nephew Colby Beck as well as a dear friend Carla Hanson. Ken was a gentle loving man. He enjoyed music and was always singing a song. Ken was goofy and loved to laugh. He loved the outdoors and everything mother nature offers. It was his Zen. Ken had many friends and was always making new ones. Those who love Ken and witnessed his struggle always wished and prayed for so much more for him. We loved him and he never missed an opportunity to let us know how much he loved us. Ken was a believer in Jesus Christ and prayed everyday for those he loved. Even through his struggle his faith was solid. We take peace in knowing that he had no fear when he passed as he knew exactly where he was going. He is now safely in Heaven with Jesus and his mother Theresa Teal whom he missed dearly. We love you Ken and are comforted knowing that you are free of all the pain and your earthly burdens. Until we see you again, May GOD bless you and keep you by his side.

“ *Where to begin. My heart broke for this young man I meant. He and his brothers had the hardest life but he still had a huge heart. I'm so glad to have shared our teenage years and many years after that together . We had a beautiful son together and I gained 2 brothers. I'm so sorry your life never got better after you were shot...I tried. Your hurt inside never left you and inside I couldn't watch it. They used to call us Barbie and Ken .. and we broke up so many times and got back together...I cant even count. I did the right thing for our son...you know that. I hope your heart is finally at ease.. no more pain Ken....you can finally be you again...fly high and watch over our son....peace*
