“ Kevin was the youngest of four children. When he was a baby our dad started calling him little baby 'Boscoe'. The name stuck. By the time he was two years we knew we had to start using his real name 'Kevin'. It was tough at first to get used to the real name but thank goodness we did. I sure wish 'Boscoe' was here to laugh with us.

“ Dear Laurie, I was terribly shocked and saddened by Kevin's passing. You have my deepest sympathy. I'll miss his great smile and big wave as he passed my driveway. Please let me know if there is anything you need.
