LI

“ *My dear Kim I miss you so much. Anyone who met Kim knows how kind, generous, and yes alittle crazy (like me) she was. She got that from her special mother Mrs.Ginny. (I believe the two of them are now Angels helping others find their way). Kim has been in my life from the time we were 3 years old and the adventures we shared hold a very special place in my heart. I have a picture of her on my night stand when she was 16 and I smile when I look at it. Kim had a BIG HEART and I feel blessed to have had her in my life. Miss You! Love You! Linda* ”
