KM

“ My mother Kristine was a beautiful woman with a beautiful soul. She loved her family, and we loved her back. She was a devoted Christian, and studied the Bible to no end. She had a heart attack at around 1:15 AM on September 29th, 2024, and officially passed away on October 1st. I am so blessed to have experienced the first 18 years of my life with my mother here, and I'll miss her for all my remaining years.
