“*Krystal, if I could only find the words. I know you're in heaven, because you came to me in a dream. You told me that you didn't know about the spaghetti, but Jesus makes the best fried chicken! I'll hold you to your word. Anna is getting so big, she is so smart and kind and amazing!! She looks just like you, too. Beautiful inside and out. I hope you and daddy are jamming out and making a cool space for us, I know it's going to be fun when we get together again one day. Until then, though, I will keep taking care of our loved ones here ❤️ missing you soo much, and loving you even more.*
