“ *My name is Rashida Curtis and I had the honor and privilege of being one of her daughter, Priscilla's caregivers at the facility where she lives. I had many opportunities to spend time with Ms. Lana, Priscilla, and the family. She treated me like I was her family. I loved her so much and I am truly going to miss her. I loved playing games with her and Priscilla. We spent hours just talking about everything under the sun. She truly was an AMAZING person. God Bless and may her soul rest in eternal peace! I LOVE YOU MS. LANA & AGAIN, I WILL MISS YOU!*

“ Lana and I were classmates. We became good friends and spent times outside of school. She would play the piano and we would sing many songs. Lately, a few of our classmates would meet on Thursday mornings and Lana was a part of that group. She always came wearing one of our hats! She fought a long fight in the end always with grace knowing her faith was preparing her for her time in heaven.

“ I met Lana many, many years ago when her son, John, and I dated in high school. Lana impressed me with her faith, energy, and her commitment to her family. Lana was kind, welcoming, and supportive when I was pregnant with Luke, her grandson, and I will always be grateful for those memories. Luke & I also value the memories of visits with her, while he was growing up. Luke was able to introduce her to his now wife, Megan, a number of years ago. I know that he will treasure that visit. \n\nFrank, John, Prissy, Amber, Andi, Luke & family, \n\nMy deepest condolences on the loss of your beautiful Mom/Grandmom. Nothing can prepare us for losing our Mom/Grandmom, even in circumstances when they have been ill. \n\nMay the good times that you shared together help to comfort you in the days ahead. \n\n\n\nLove & Prayers, \n\nKandy Linzy

“ Lana was my cousin. When I was a teen, Lana moved in with us for awhile after she had Priscilla (Prissy). We really enjoyed having them there. Lana took us for rides in her very sporty car. It made us feel special. My mother, Delores, always talked about the Lord, and eventually she asked the Lord into her heart. She loved to sing in church, and sang with my sisters and I from time to time. We will miss her greatly. Lana, I know we'll see you again in heaven\n\n All our love. Grace & ,Bob
