

## Lane Mitchell Cremeans

September 21, 1969 - October 5, 2020

Lane Mitchell Cremeans, 51, of Maryland, died October 5, 2020, at his Glen Burnie home.

Mr. Cremeans was born September 21, 1969, in Annapolis, Maryland, to Burman and Shelby (Judy) Cremeans. He attended Glen Burnie High School in Glen Burnie, Maryland. As a young adult he owned several franchise restaurants and later brokered sales of franchise businesses.

Lane was a lifetime fan of the Orioles and became a diehard Steelers' fan after the Baltimore Colts left Maryland. He loved South Korean culture and was an avid creator of English subtitles for Korean movies and television shows. He had a gift for storytelling, especially with the pen and never passed up an opportunity for a debate. The memory of his quick wit and wicked sense of humor will never be forgotten. Our broken hearts will forever feel the loss and emptiness of his absence.

He is survived by his mother, Shelby Cremeans of Williamsburg, WV; sister and brother-in-law, Kathy and Grant Serreno of Linthicum Heights, MD; nephew and his spouse, Michael and Tracey Bowers; and great nephew, Chase Bowers all of Pasadena, MD.

He was preceded in death by his father, Burman Cremeans.

At his request, he will be cremated and no service will be held.

“ A FRIEND NAMED LANE (by Dee W.) \nI met a man named Lane one day,\n in the most unlikely of ways.\n As neighbors in the COVID days;\n alone, indoors is where you stay.\n We had a brief encounter, \nas neighbors, sharing space. \nIt was an unexpected water leak \nthat brought us face to face. \n What a gentle and thoughtful man, \nso genuinely sorry for the mishap. \nHe extended the Hand of Friendship saying, \n“If you need anything, on the door give a tap.” \n Having no idea, then,\n we'd never get that chance in the end, \nI'm so glad that I responded, \n“ You're most assuredly FORGIVEN, my Friend.”

“ So sorry to hear of his passing . My condolences to his family & friends through this difficult time. I remember Lane from kindergarten or 1st grade going to his house and playing with him after school. His parents gave me a bike, and it was the first bike I ever had and learned to ride on. Lane joked around a lot and had a very good sense of humor. I wish I would have gotten to know him a little better as time went on and we went through school together, but we sort of went separate ways. May God give comfort to his family and friends during this difficult time. Rest In Peace Lane .
