“ Larry, I still can't believe you are not here. Last time we talked you told me you were coming home. I just didn't know you meant your eternal home. I will always carry you in my heart. You were my big brother and I will cherish all the memories we have from you playing Barbie dolls with me to you defended me when someone did me wrong. I love you forever and will miss you everyday.

“ Nothing ever stopped him from singing with Caitlyn. Even him not being able to carry a tune. He did it for her and her love of music. He is the reason Chloe is so talented with her drawing and her skills with video games. He loved his girls and showed it every chance he could.
