“ Tuck was always an inspiring guy that loved everyone he met. He was a jokester and loved a good laugh. He was one of a kind and definitely someone I miss having around when I have a bad day. I'm gonna miss him but I know he's looking down over all of us and keeping us on the straight and narrow. See you again one day BIG GUY!

“ Little Larry over 6 ft I believe. Always had a smile for me. The last call from him was about how he was going to come by train and bus to see his mom. He made it, and it showed he loved his family dearly. His sad and totally unexpected departure left us all in deep sorrow.

“ Lil Larry, my brother, younger than me but oh so much taller than me. I looked up to him in more ways than one. He excelled at everything he put his heart into and was a master behind any tractor, great hunting and fishing buddy. Terrific cook (inherited that from Mom). Awesome sense of humor. Those who really knew my brother knew him to share his love for his family, friends, neighbors and strangers in need. Last message I got from Lil Larry, I will repeat back to him: “I love you too, bro”. Rest In Peace. Your brother, Mike
