“ Well, I have waited to post this note to a great friend and man. A decorated Vietnam Vet and true gentleman, in all-aspects of the friendship that we had. Laszlo was one of a kind, he had a great wit, sense of humor and enjoyed life to the fullest. Laz went to Maryland to reconnect with his two sons, I think that was always his intention, it was our loss over here in Massachusetts for sure. We remember him almost daily, my son and wife cried when they heard of his passing, he was a special person and will be missed. To Shayna, your Dad loved you very much, he was just a little upset, he always wanted the best for you. God Bless Laszlo, a true friend, Rest In Peace, Sempre Fi Love you Man. “ I am so sorry to hear of your loss. I loved Laszlo so much. I knew he was sick but had no idea he had passed. I will miss talking to him. I enjoyed the time we had together the trips we took and all the fun we had. Today he would have been 71. I know what a good man he was. I am honored to have known and loved him.

“ Frank, Laz & Alexander, I was more than sad to hear about your brother/father. We spoke about 2 weeks before he went into the hospital. I knew he was not doing well, but I never thought that he would be gone so soon. My heart is very sad. He was a good man and we had alot of good days in our 15 years together. But the end of that 15 years was not pleasant for either one of us. I'm very blessed that he gave me Shana, and in turn she gave us both a beautiful granddaughter a month ago. I was in the process of sending a picture of them both to him. I'm sorry that I didn't get the chance. I know that he is wherever your mother/ grandmother is. I can just imagine what they're doing. Please accept my sincere condolences. This world will never be the same without him.
