“ *Laura Mariner, my best friend throughout all of my Beechfield Elementary School years. I have fond memories of coming home with you many Friday afternoons, watching the late afternoon movie in your basement and then having fish sticks for dinner. Your mother was always so kind to me and I always enjoyed spending time with Marie, Larry and Steven. Thank you for all of the great memories and your years of friendship. You are missed. Your friend always, Pattie Burk from Parkton Street and later Melbourne Road.*

“ *I had the privilege of meeting you through your son Greg. As soon as I spoke with you I said what a sweet soul. I will always laugh thinking about how you would run out of our office when you heard the train riding by and you would say don't laugh at me. I love those trains. Most of all I remember the loved you showed for your son. You not only showed it but expressed it as well. We will definitely miss you!!!!!!!*

“ Dear Mom, all of the memories are precious. The good and the bad, the big and the small. You, Ruth Anne and I, Taco Bell and Blockbuster when we were kids. I think the simplest good things were the best. You've always been there for me, in the best and the worst of times. But none of us are ever really gone. So you journey forward now, in peace and harmony, and we shall meet again. I love you to the moon and back.\n> Your son, Gregory
