“ *To My Cousins - I am so sorry for your loss. I will miss Aunt Katherine's laugh and generosity. I remember as a child staying at her house for one week in the summer so we could go to vacation bible school behind her house. Linda, Larry , me, Wayne and Carl would all go together. It was a very good time and was the beginning of our walk with God. I have always been so grateful to her and loved her so much. Also loved the pears from her pear tree that she always yelled at us for picking the fruit to soon. :-) Rest in peace Aunt Katherine. I know you are with your family in heaven.*
