“ To our beloved cousin Lemuel, Whom we often referred to as Junior Lee. The lifetime memories that we created were priceless. Junior you were energetic, family orientated, and always optimistic. Even under dire situations your selflessness and \"it's gonna be a brighter day attitude\" paid tribute your grandparents Odell and Isolean Lee. Junior you are truly missed, and will forever be remembered as our brother. -Larry Lee & Family

“ I'll miss and love you forever Daddy Junie❤️ you were the best grandpa anybody could ever ask for and I feel so lucky. I love how you couldn't wait to tell people I was your granddaughter whenever we went out and just a few weeks ago you were telling the walmart cashier how you remember the day I was born. You told me that story 1000 times but I never got tired of hearing it. You'll never be gone to me because you still feel so close we had a lot in common and I still look up to you. A few weeks ago you told me if anything ever happened to you to just remember that you had a nice life and you enjoyed your life. You were so proud that you lived to see the changing of history I said it made you sound like a time traveler and you agreed and thought it was so funny. Thinking about that reminds me to celebrate your life instead of grieving over your loss. I'll miss hearing your voice but I know I'll hear it again one day I'll always love you.\n\n-Bria McDowell (the website corrected it to Brian)

“ Daddy, you will be missed so much. I had the opportunity to grow up with you and we had so much fun. I have talked to you everyday of my life and in your eyes I could do no wrong. Not being able to talk to you is foreign territory, but a painful new normal. I am forever grateful to have had you as my Daddy, because you gave great guidance and advice, friendship, love and wisdom, and in closing many warm memories. love, your baby girl

“ Tavon Harvey to my loving dad Lemuel P. Harvey Jr. I never imagined that I'd be writing this. I'm still feeling so many different things at once. I'm still having trouble wrapping my head around what happened . Disbelief. It was too sudden. You were a great father and friend and I'm so proud to say that you were my daddy. As sad as your passing has been, I can't help but be reminded of all of the good times we all had as a family. The bar-b-cues, cookouts and birthday parties, we knew how to celebrate and party, with each conversation getting louder as the day went on. There's too many stories to tell of how great of dad you were but I just want to say that I love you and I'll see you again some day.

“Lemuel P. Harvey Jr. will be missed. You left this world sooner than we could have imagined. Your loving son and oldest child Lemuel P. Harvey III, Tinita (daughter-in-law) and Hanna (Granddaughter), will miss laughing and enjoying meals with you. Thank you for the loving guidance and unconditional love. You were there to listen when we needed you. The last time we were together you said, “I have all I need and I accomplished all I wanted.” This gives us peace. We are glad you were not lacking. We will all see your in heaven when we meet again. One love, Lemuel III Harvey Family.
