I Heard Your Voice In The Wind Today – Unknown

I heard your voice in the wind today  
And I turned to see your face;  
The warmth of the wind caressed me  
As I stood silently in place.

I felt your touch in the sun today  
As its warmth filled the sky;  
I closed my eyes for your embrace  
And my spirit soared high.

I saw your eyes in the window pane  
As I watched the falling rain;  
It seemed as each raindrop fell  
It quietly said your name.

I held you close in my heart today  
It made me feel complete;  
You may have died... but you are not gone  
You will always be a part of me.

As long as the sun shines...

The wind blows...

The rain falls...

You will live on inside of me forever

For that is all my heart knows.
