“ *Deepest sympathies to your family and loved ones I was too taken back when I learned that Leslie had past away so sorry to hear this especially since she just retired. We (Donald Adkins and Leslie Lynn met about 13 year's ago when Donnie and Steve worked together and had become friends, met her whole family one summer down here on the eastern shore one summer had a great time but life gets in the way and always spoke when bumping in to each other always easy to talk with. In heaven with her momma now.*

“ *My sincere sympathy to the family of Leslie. I never personally knew Leslie but always admired her dedication to her work at the north Salisbury Walmart. She was always kind, knowledgeable, and willing to help. I will sure miss seeing her in Walmart and pray that her soul is now resting in peace. I am attaching a picture of the tribute table made for her at the entrance to the Walmart store. I was so shocked and saddened to see this as I entered the store.*
