“ She was my grandmother and one of my biggest supporters. Always pushing me to follow my goals and dreams. She was always proud of me and I will forever cherish all the memories and laughs. I loved her so much and always will.

“ Linda was one of the sweetest ladies I knew. She loved her family but she grandchildren and her great grandchildren there's nothing she wouldn't do I remember Thanksgiving the last one that she had at Miranda's house. She was so funny. I remember Dennis drinks instant coffee and Linda wouldn't drink instant coffee. She only drinks coffee that's brewed in a coffee maker so we had to get out a little teeny coffee maker to make her one cup of coffee. It was so funny cause she wouldn't drink the instant. Going to be missed by everyone, especially her grandchildren and her great grandchildren fly hi Linda, we love you
