“ Ms. Linda and my family have been neighbors since we moved to Severn in 2002. We would often chat from driveway to driveway or when I saw her at CVS. Ms. Linda would always inquire about my mom who moved a few years ago. I will see her little red car in the driveway and the smile and wave whenever she arrives home and she was out on her porch. My sincerest condolences to the family.

“ Linda was a very important part of the Jessup Baptist Church family...she will be missed. I loved her laugh, the way she entered a room and in general, loved life. She would also speak her mind and we'd laugh with her! She was going to help out at Vacation Bible School this week - she will definitely be missed there! Linda, enjoy the well deserved rest you have now in the presence of our Lord! Love you! Brenda

“ Linda was a special sister. Kind to a fault and was always there when needed. For the past few years, we had an understanding that she or I would call the other on a weekly basis just to check-in and talk about how we were doing and what we had done over the week - the usual things sisters share. I will surely miss her. I'm sure I'll catch myself picking up the phone on Sunday afternoon to check in. I love you Linda!❤️
