

Linda Susan "Hollywood" Shipley

August 6, 1948 - November 10, 2024

Linda was a loving mother, a caring friend to everyone that she met. She was known as Hollywood. She was a free spirit whom loved to dance and converse with everyone.

She is survived by her son, Dale Crites, who currently resides in North Carolina.

It's never easy to say goodbye, but I know that you are in a better place. You are now dancing with other Angels. She will be dearly missed.

Your Hug Meant the World
Nobody else held me so tight
Or made me feel so right
No one's eyes shined so bright with love
As my mom, who is now high above.

A memorial service is planned for immediate family.

Services will held at Holy Trinity Church. More details to come in the future.

“ Q: What will you miss most about Linda?
A: See Linda dancing and being by her sons side. She always reminded me of my mom, we were so close I would hang on her skirt tail when I was a kid ,she couldnt shake me loose.I get that same vibe from watching Linda Aka" Hollywood" dancing with her son who loved her so and she seemed to love being anywhere he was, always by his side and her side. I wish I got to meet her in person. She will be in my thoughts and prayers, RIP Dance the night away in. Heaven .

“ To have first met Dale (many years ago) was to know what compassion towards others humans was and is. His spirit is contagious and shows us how well you did in life. To teach others to love, to love yourself. Linda, you often would check up on Dale even though he was in Carolina. Leaving notes of love on his facebook posts and page. Words of encouragement. Now you get to have your legacy live on through him and all the others you have touched. God Bless your journey towards eternity Linda.

“ I have lovely memories of Linda Hollywood supporting her amazing son Dale with his dancing and the legacy he's created. \nShe loved our song Do It My Way - about her son following his heart and bringing joy to the world. \n\nShe also loved to dance herself and was a fun and beautiful person. \nMay she rest now in the arms of Jesus and keep watching over our Dale xx
