“ I miss you Lisa. It's been 3 weeks since you died but it feels like yesterday. I'm glad we were sisters & so close in age. You had a heart of gold when you were well. Even though you'd been sick, you told me....please don't die before me because you couldn't handle it. I'm so thankful we kept in touch, especially the last few months you were alive. I feel like I should be calling or texting you. I hope I always remember your voice. I know without a doubt you're in the arms of Jesus. You let Him in your heart long ago. I'm looking forward to seeing you again one day. Love you always, Your sister, Jillion
