“ *Lonnie I remember you living up the road from us on South Mountain Road in Knoxville, MD~ You and my brother use to hang out and go hunting and fishing together~ We had a few conversations about your friend a year or so ago~ So sad to see you have left us~ You now have one of the best sets in the house my friend~ Rest peace and GOD Bless you and your family at this difficult time~ May GOD comfort and walk along beside each and everyone of your loved ones and friends now and always~*
