

Lorna Stewart

November 5, 1937 - December 10, 2025

Lorna Frederica Stewart peacefully entered eternal rest on December 10, 2025, at MedStar Harbor Hospice in Baltimore, Maryland. Born on November 5, 1937, in Thompson Pen, St. Catherine Parish, Jamaica. Lorna lived a life marked by quiet strength, devotion to family, and service to others.

A skilled seamstress in her early years, Lorna later dedicated over three decades to caring for the elderly as a Certified Nursing Assistant after immigrating to the United States in 1972. She was a devoted mother, grandmother, and great-grandmother who cherished family gatherings, faith, and life's simple pleasures like curling up with classic television mysteries, tackling a good crossword puzzle, and enjoying a lucky day (or two) at the casino.

Lorna was preceded in death by her mother, Adina Ferron; her son, Oren Stewart; and her husband, Erastus Stewart. She leaves to cherish her memory her children, grandchildren, great-grandchildren, and a host of family and friends who will forever remember her gentle spirit, quiet smile, and warm heart.
