“ *My little sister, I never knew how much I would miss you. Watching TV together and on the phone at all times. Please watch over Me and the rest of the family. Chris is doing fine but you know that. Tell Mom and Dad I miss them too. I smell Moms perfume all the time. Until we meet again.*

“ *You are missed every day. It's been 2 years and 6 months and we talk about you every day, especially one of your funny sayings or something that reminds of us you , like old classic movies we new your favorites. I hope you are watching over your son and sisters.*
