

Margaret Mary Snyder

March 29, 1935 - November 8, 2023

My beloved mother Margaret Mary Snyder is survived by her first late husband William Thomas Lawler, her late second husband Christopher Snyder, and her two surviving children David Lawler and wife Kimberly Lawler and Deborah Ann Lloy, her surviving brother Frank Alt and wife Judy Alt, her late brother John Alt and his late wife Sophie Alt, her two surviving grandsons Travis Lawler and Abbey and Ryan Lawler and fiance Sarah Roth, and three great grandchildren Karter Lawler, Kelson Lawler, and Kora Lawler.

My mom loved to plant beautiful flowers around her home, loved to shop and going to church, and was a retired Anne Arundel County elementary teacher of 28 years and taught secondary school teachers for several years.

May she rest in peace and may God always look as a angel like she was to so many of us.

“ Mrs Marge was a wonderful neighbor. She was so caring and motherly to everyone. She often passed on her wisdom to others around her and genuinely cared about everyone she encountered. She kept her house and yard meticulously clean and loved to decorate for the holidays. She would decorate each room with a theme and it would take her and her daughter several weeks to accomplish this. She also loved her gardens and always has a pop of color along her long driveway, even in the later years when she resorted to using artificial flowers due to her limited ability to maintain real flowers. \nShe was a woman of faith and she as not afraid of death. She would openly talk about it as though she was ready to meet Jesus. She would want us to be happy for her to be at peace in heaven. I am blessed to have known her.

“ Marge was the best neighbor that anyone could ask for. She was as kind and generous as anyone I have met.
