“ My mother and Marie Ann were longtime friends from West Virginia. Marie Ann always visited with Mom when she visited Elkins. I'm so sorry to hear she is gone but I will always remember her beauty, her smile and her friendship with our family. Sharon, I remember you accompanying your mother many times on the visits and sometimes we got together at the Skidmores. My thoughts are with you and always remember your memories of your mother will live on forever.

“ Knowing & caring for ms.marie was a gift. Her stories of her past, of what she could remember, were always enlightening to me...knowing her taught me patience, & most of all how life can slip away in your mind,yet the spirit of yourself never leaves.. Ms.marie will stay with me in my memories of her always

“ I worked with Ms Marie for over six years. I became very fond of her. It is sad to see a good person suffer from the downward progression of Alzheimer's. The last months of her life were hard and I hope now that she has found peace . Love Brenda
