“ My heart is at rest in knowing that Mark no longer suffers with the addiction that held him in bondage for so many years. If Mark has left any messages for his son in some form, if you would be so kind in forwarding those to him, that would much appreciated. “ Thank you Mark for being a friend who understood addiction and was a big help to Rue and I in trying to understand our son. For the good times we had at the house and on the trips we took. I will miss you and your great smile.

“ What a kind, gentle and talented man he was. He will be remembered for baking delicious desserts & of course the re“Mark“able Furniture he created & refurbished. He received his certification from NAMI as an “addiction specialist“(National Alliance for Mental Illness) His goal was to re-decorate the kitchen at St. Matthew’s & speak to high school students regarding Mental Illness as well as a paid position as a pier specialist. His smile and energy will be missed by those who knew him. Nancy Hill Board Member of FCCAU Welcome One
