“ We will miss you so much!!! I remember when all of us would go to the \$2.00 club parties, and Laurie, Pat, and myself (Ellen) would get up to dance to the Electric Slide!!! This was our group song and I taught my husband (John) how to dance to it. Well he joined me on the dance floor and started to do his variation of the dance, when Pat's foot seemed to be in his way, and he stepped on it. Not once , but numerous times. The whole crowd was in hysterics. Marvin you got up to dance with all 3 of us, and slow dance with Laurie!!! My heart goes out to Laurie and your family!!! We love and miss you very much!!! 🥺💕

“ So many wonderful childhood memories created because of the love and friendship from Uncle Marvin and Aunt Laurie. As a child I always knew you two had something special. Your energy was always fun. When I think of Uncle Marvin the first image that always comes to mind is him dancing with Aunt Laurie. And it just makes me smile. The loss is unbearable. But I have to believe that his Soul will be waiting, with a smile, hug and a dance. He was the physical form of love, and that Kind of love can never fully leave. Praying for you all, xoxo. Marybeth
