“ *My sister Mary & I, loved like sisters, shared like sisters, and argued and fought like sisters. Mary was very strong willed, loved deeply and feared very little and yes she could be very ornery at times! One thing that stands out the most is in our childhood, When Mary and our younger brother Ronnie teamed up it could get ugly. One day while minding my own business and sitting on the toilet, they decided to put a live snake under the bathroom door. I think if I would have caught the two hysterically laughing siblings I might have been able to take them that time. R I P Mary Lee Greenfield Church. Love you, Linda 🌸❤*
