“ Just learned of Mary Ellen’s passing. Making her friendship was the best thing about working at the Kenilworth branch of SunTrust bank back in 2004. She and I shared so many laughs and a few “girl’s night outs” back then. I’ll never forget her 60th birthday art show. It was a wonderful time and a beautiful tribute to all her many artistic talents. Rest In Peace dear friend. and I hope we will meet again someday...❤️ Joan (Zambito) Johnson

“ The garden and park At Burkleigh Square have always a lovely gathering place for friends and families. I can see Mary Ellen sitting across the picnic table from me. I can feel her love for the grandchildren she doted on. I know the importance of family and friends and the sadness felt when one so loved is no longer across the table. If I can see her face, how much more can family still feel her presence. Praying love, peace and many trees in her honor. 🌳🌳🌳🌳💖. Pamela Renner

“ I loved going to Meme's with Alexa after work and eating her garlic brussel sprouts and watching American Idol. I enjoyed those times very much. Meme took Alexa and I to G&M restaurant for my birthday and we ordered crab cake subs that were massive and delicious! Meme was very kind hearted and always wanted to lend a helping hand! I am glad to have met her and she will be missed. ❤️

“ Mary Ellen will be missed. I remember her smiling face at the teller window at the bank at Kenilworth. Then, her presence at family events I attended when our kiddos were young. Her artistic creations and photography were splendid. Tracie & Family, I am sorry for your loss.
