“ I don't have any pictures at present to view on Dec 29,2021. I thought I posted our Arizona pictures last year on the eve of her departure...but maybe I did not do it correctly (I really don't know how to work with computers anymore) Any way No excuse I guess. I still always think about her each and everyday, as well ask speak to the sky above to her. She will always be with me her best friendand I will post some more pictures when I dig them out of the basement. I love and miss you my best friend!

“ Words cannot even begin to describe the loss of a loved one, I was 17yrs when I lost my mother and I'll be turning 50 this year.... I've worked for Walmart for close to 20yrs now and have hired and trained many... but there are this who we've lost through the years & I have attended & represented my store and company. But I would like to say that there are the few select that you hire,train, & work with side by side that will never be forgotten and Mrs. Mary Heflin..... you, my precious Angel (who gained your wings) will #NEVER BE FORGOTTEN.... I will always remember our talks, our laughs and our good times at work through the years.... may you Rest In Peace & know that you will be missed here on earth.... mere words are just not enough to say what an HONOR it was to meet you, hire you and work with you.... God Bless you Dear lady.... you will forever be in my heart..... I love you.... til we meet again..... always, Ralph, ps... say hello to my mommy for me.....
