

Mary Elizabeth Revis

October 13, 1953 - March 3, 2025

With profound sadness, we announce the passing of our beloved mother, grandmother, great-grandmother, and devoted wife, Mary Elizabeth Revis, who left this world on March 3, 2025, after a long and courageous battle with her health. She was born on October 13, 1953, and throughout her 71 years, she was the heart and soul of our family, the foundation upon which we all stood.

She was the cherished wife of Stanley Revis Sr., and together they built a home filled with love, warmth, and unwavering support. She was the proud and devoted mother of Kelly Heffner (Richard Heffner), Patricia Thomas (Joe Thomas Jr. II), Stanley Revis Jr. (Nisha Revis), and Henry Revis (Amber Revis). Her love extended even further to her 15 grandchildren: Brandon, Justin, Richie, Emma, Jason, Leiliana, Kayla, Kyleigh, Stanley (Tre'), Ryan, Cameron, Caden, Caylee, Charlotte (Charley), and Claire. She was also blessed with five great-grandchildren, Laylee, Brayden, Winter, Anthony (Bubsy), and Arlo with two more, Olive and Sammy, on the way.

She was preceded in death by her beloved parents, Doris and John Law, as well as her siblings, Pat, Barbara, Evelyn, and Johnny. While our hearts are heavy with grief, we take comfort in knowing that she has been reunited with them in peace.

Mary was the backbone of our family. A homemaker by nature, she poured her love into every meal, every hug, and every lesson she passed down. She had a way of making everyone feel at home—whether you were family by blood or simply by love. If you walked through her door, you were welcomed with open arms and treated like one of her own.

She was an incredibly active and devoted mother, wife, grandmother, and great-grandmother, always putting her family first. She spoiled her children and grandchildren endlessly, not just with treats and gifts, but with her boundless love and unwavering support. Family was her world, and she made sure we all knew just how deeply she cared. She was our fiercest protector, our strongest fighter, and our greatest source of comfort.

She found joy in the simple pleasures of life—playing bingo, enjoying a good buffet, trips to the dollar store and hosting or attending family gatherings that brought everyone together. Her home was a sanctuary, a place filled with laughter, warmth, and unconditional love. She had a heart big enough to take in anyone who needed help, often becoming a second mother to her children's and grandchildren's friends.

Despite her long and difficult health battle, she remained the strongest person we have ever known. Her resilience, love, and kindness will forever be remembered and cherished by those lucky enough to have known her.

Our family has suffered an unimaginable loss, but we take solace in the love and memories she leaves behind. Though she may no longer be physically with us, her spirit will live on in each of us—in every laugh, every shared meal, and every act of kindness.

A celebration of her life will be held at a later date to be determined. We will invite all who knew and loved her to join us in honoring the incredible woman

she was.

Mom, you were our everything. We love you beyond words and will carry your love in our hearts forever.

“ Miss Mary, who I called Mom, was an amazing lady. She would always make me laugh at the quarter auctions that we worked together. If there was gossip at one of those events, Miss Mary sure knew it. I know how much she loved her family and how much she was loved by all. My deepest condolences go out to the family as they learn to live this life without her in it. She is now a guardian angel for so many. We love you mamma Mary! Your spirit will live on in us all!

“ I will forever cherish every memory and every moment we had, although not enough. I love and appreciate everything you did for me Aunt Mary. You took me in, loved me unconditionally and played a huge role in raising me to be the woman I am today. My heart aches for your children, grandchildren, great grandchildren and of course Uncle Stan, but also for all of the others who knew and loved you and will miss you so much! Always an angel, but now you have your wings.
