

## Mary Frances Washington

December 2, 1928 - February 18, 2018

Glen Burnie – At 89 years of age, Mary Washington peacefully left this Earth bound for Heaven on February 18, 2018. Her loving son, Jimmy, and his long-time partner, Sonja Roeser-Baker, were at her side. Stephen Covey recommends that we “should begin with the end in mind,” thinking about how we want to be remembered at the end of our brief journey here on Earth. Mary will be remembered for her kind spirit, her wit, her laughter, her singing and dancing, her intelligence and her unconditional love, especially where her grandchildren were concerned. The family and loved ones express much gratitude to those who cared for Mary during the last few years of her life. They include son, Jimmy, and his partner, Sonja, the wonderful hospice nurses and her wonderful and caring nurse, Terry. Survivors include four of her six children: Jimmy Martin (Sonja Roeser-Baker), Nancy Collins (Jim), Tina Parrott (Jeff) and Susan Scheminant. Two of her children, Tommy and Terry Martin, predeceased her as well as her two husbands, Jim Martin and James Washington. Additional survivors are her grandchildren, Jimmy Martin, Tommy Martin (Tammy), Brian Martin (Lisa), Jamie Curley (Matt), Terry Moore, Jeffrey, Tommy and Rachel Parrott, Jonathan and Jordan Scheminant, and Jimmy Yoder. Other survivors include daughter-in-law, Bonnie Martin, great-grandchildren, nephews and nieces.
