“ *Dave, I am truly sorry for your loss. People will tell you that the pain lessens in time, but it's honestly more of you just adjust to it and carry it with you, slightly muffled. At least, that's how it's been since I lost my mom. To Mary Ellen's brothers and sisters, you all have mine, Lorri's and Dad's deepest sympathies and condolences.*

“ I am so sorry for the loss of your mom, Dave. I have lost many family and friends and I can tell you that losing my mom has been the most difficult to live with. No one can ever take her place. Also, for my grandchildren, my heart breaks. I know they love her very much and this will be a difficult adjustment for them. Just be there for them and let them help you through this too. Love you all.

“ Maryellen was a good sister to me. I will really miss talking to her. Dave, I will always be available to you and your family. No one can replace your mom, but God can comfort your heart. He knows what you need during this time much better than anyone else.
