“ Max Bauer, my father, leaves behind an x-wife whom he remained very close to as a friend(& never stopped loving (our Mom, Margie Bauer). He is survived by two daughters, Margaret Wiltrout and Susan Weyer. Six grandchildren Ashley, Katie, Dustin, Nick, Jake and Eric and two great grandchildren, Bradley Jr. and Dylan. He has a son-in-laws Al and Larry and a grand son-in-law Brad Sr. married to Katie.. He also has two sisters, Alfreda and Berta, and their families who live in Germany (his native land). He came to America as a young man and met and married Margie. He also married Eve and then Jodie in his lifetime. He was a very skilled cabinet maker who had his own cabinet shop- Max Bauer's Cabinet Shop in Brooklyn. He loved his race horses. He reaffirmed his faith and accepted Jesus again shortly before he passed from his earthly life into his eternal life. When we are called home to our heavenly home we are remembered for the legacy of our children/family/loved ones and the lives we touched..... not our earthly riches.. We are forgiven of our sins if we repent and accept Christ. On the night he died I told him he will soon be in heaven and see his Mom and get to know his father (who died in the war when he was only 6). I told him heaven is a wonderfully peaceful place where there is no more pain. His response was \"I hope so\". I told him that Jesus did not die on the cross in vain and he understood. After seeing my mom one last time and talking to my sister and myself...I think he was ready and passed away early the next morning in his sleep. I know he is with our heavenly Father now and has a new understanding and peace. We will see him again when we are called home!

“ *Max Bauer finished his journey on the earth a faith-filled man. Max answered God/Jesus Christ/Holy Spirit’s call on his life and accepted. On August 22, 2023 Max spirit and soul left his earthly body, and departed earth for his heavenly dwelling created for him by Jesus. God gave Max the talent to make many things out of wood during his lifetime and he enjoyed telling and showing people the things he had built. Max immigrated to America from Germany as a young man and became a citizen of USA, married Margie and would joyfully tell you married for 40 years to Margie and raised his family here.*
